12VAC5-31-2860. EMS System Initiative Awards E-GIFT User Guide for Non-Licensed EMS Agencies

EMS – Grant Information Funding Tool (E-Gift)

Welcome to the E-Gift, the online grant application system. E-Gift automates the grant process by using a web-based system. We know you will find this user-friendly tool useful in your grant application writing and submission process.

Eligible Agencies

The Office of EMS recognizes two types of agencies or organizations that are eligible to apply for a RSAF Grant, Licensed EMS Agencies and Non-Licensed EMS Agencies.

- A **Licensed EMS Agency** is an agency that is authorized by the Office of EMS to provide emergency medical services in the state as an EMS agency.
- A **Non-Licensed EMS Agency** is an agency that is not authorized by the Office of EMS to provide Emergency medical services in the state, for example EMS Regional Council, Community College, Sheriff's Office, 911 Centers, and Volunteer Fire Department.

You have selected the User Guide that identifies your agency as a **Non-Licensed EMS Agency**.

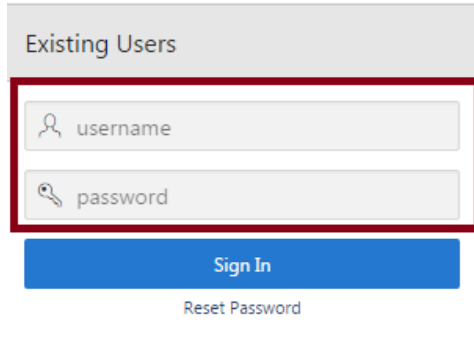

E-Gift Users

The E-Gift system requires three types of users: an Authorized Agent, a Financial Officer and an Agency Operational Medical Director.

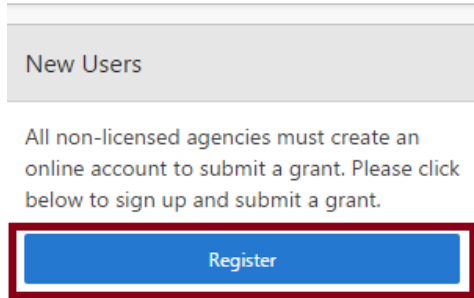

- The **Authorized Agent**, or grant submitter, is the person responsible for the completion of the grant application on the agency's behalf. The authorized agent has the ability to create and make any necessary modifications to the grant.
- The **Financial Officer** is the person responsible for the receipt, care, and disbursement of money of an agency or organization. The Financial Officer will have the capability to review and e-sign the grant; they do not have edit capabilities.
- The **Agency Operational Medical Director (OMD)** is an EMS physician, currently licensed to practice medicine or osteopathic medicine in the Commonwealth, who is formally recognized and responsible for providing medical direction, oversight and quality improvement to an EMS agency and personnel. The OMD will have the capability to review and e-sign the grant. All OMD's have accounts already established with the Office of EMS and are required to use their existing account to log into E-Gift.
 - If you are a Non-Licensed EMS Agency, you **DO NOT have to have the OMD e-sign** your grant application, however if you choose to select an OMD from the drop-down list in the **Organization Information** section, the OMD will have to e-sign your grant for your application to be complete.
