DEFINITIONS - DUTIABLE VALUE

The term "dutable value" is defined by Division 5 of the *Duties Act 2008*. The following interpretation is provided **as a guide only**.

New Vehicle:

For a new vehicle (which includes a demonstration model that has been used for that purpose for not more than 2 months) that is a motor car, motor wagon or motorcycle, the list price (see definition below), plus the price fixed by the manufacturer, importer or principle distributor as the additional retail selling price in Western Australia for a particular kind of transmission or engine fitted to the vehicle that is not standard in a vehicle of that make and model (for example, the set fee to upgrade a manual transmission to automatic, or to include a V8 or turbocharged engine).

Used Vehicle:

In relation to used vehicles - the amount for which the vehicle might reasonably be sold, free of encumbrance, in the open market. List Price means the price that has been fixed by the manufacturer, importer or principle distributor as the retail selling price of that vehicle in Western Australia.

NOTE: Vehicles which are transferred for no monetary gain need to have an amount provided for which the vehicle might reasonably be sold, free of encumbrances in the open market. i.e. its dutiable value.

Garaging Address (base of operation):

In accordance with section 5(3)(d) of the *Road Traffic (Vehicles) Act 2012*, vehicles cannot be licensed in Western Australia if they are garaged in another state. You may be required to produce documentary proof of this.
