

## OREGON TRAFFIC ACCIDENT AND INSURANCE REPORT

Tear this sheet off your report, read and carefully follow the directions.

ONLY drivers involved in an accident resulting in any of the following MUST file an Accident & Insurance Report:

- Damage to your vehicle is over \$2500
- Injury (No matter how minor)
- Death

- Damage to any one person's property over \$2500
- Any vehicle has damage over \$2500 and any vehicle is towed from the scene as a result of damages

Oregon law requires these reports be filed within 72 hours of the accident. If you are not able to file within the 72 hours, submit it as soon as possible. If you fail to report the accident to DMV, it may result in suspension of your driving privileges. If the police department files a police report, you are **still** required to file your own Accident and Insurance Report with DMV. If you are an out-of-state resident, you are **still** required to file your own Accident Report with DMV. DMV does not determine fault in an accident, but does post the accident to the driving record of those drivers required to report, unless the vehicle is parked.

If you have questions, please call the Crash Reporting Unit at (503) 945-5098.

#### INSTRUCTIONS

PRINT OR TYPE ALL INFORMATION. (Use black or dark blue ink and press firmly.)

- Complete both sides of the form.
- If additional vehicles were involved in the accident, complete the attached *Supplemental Report* (Form 735-32B), or on a blank piece of paper, write all the information as requested in Section 4, the "Other Driver" Section.
- DMV Headquarters will verify the insurance information submitted. Complete the insurance section or a suspension of your driving privileges may occur.

## **SECTION 1**

**DATE, LOCATION AND TIME** — Clearly identify the date, location and time of the accident. The correct date, location and time is critical to processing your report. If you are unsure of the county, contact any local law enforcement agency for assistance.

## **SECTION 2**

**YOUR VEHICLE (# 1)** — DMV will consider your accident uninsured if you do not complete **ALL** of this section. You must list the insurance company name (not agent) and policy number that provided **liability coverage** for your operation of the vehicle you were driving at the time of the accident. Note the coverage is for **liability insurance**, not collision or comprehensive coverage. DMV will verify this information with the insurance company. If the insurance company denies the coverage, DMV will suspend your Oregon driving privileges.

## **SECTION 3**

Answer all of the questions in Section 3. DMV will use the information provided in these questions to code the accident. It is important for you to understand "principal purpose of driving" and "paid to drive." These include ONLY persons employed or being paid for the purpose of driving, NOT driving to reach a destination to perform a service. Property includes, but is not limited to, fixed or real property, landscaping, signs, parked vehicles, and animals.

**COMMERCIAL MOTOR VEHICLE OPERATORS:** In addition to this report, Oregon Administrative Rule requires that **Form 735-9229**, *Motor Carrier Crash Report*, **MUST** be filed within 30 days of a commercial motor vehicle accident when there is a FATALITY, INJURY (requiring treatment away from the scene), or when a vehicle is TOWED from the scene because of disabling damage. Form 735-9229 (attached on back) MUST be submitted with *Oregon Traffic Accident and Insurance Report* (Form 735-32) to DMV. Call (503) 986-3507 for questions regarding the *Motor Carrier Crash Report*.

## **SECTION 4**

**OTHER VEHICLE (# 2)** — Completion of this information will help DMV match all driver's accident reports more efficiently. If additional vehicles were involved in the accident, complete attached *Supplemental Report* (Form 735-32B).

## **SECTION 5**

**DESCRIPTION AND SIGNATURE** — Describe what happened. It is important for you to sign and date the form. Only a family member may sign and date this form on behalf of a driver when the driver is incapacitated or physically unable to sign. No other signatures will be accepted.

#### COMPLETING AND FILING REPORT

**OTHER SIDE OF FORM** — Complete the other side of the form. Information collected from both sides of this form is used by DMV and other officials in making valuable transportation decisions about the roadway systems and driver safety.

**YOUR COPY** — Under Oregon law ORS 802.220 (5), DMV can not provide you a copy of your *Oregon Traffic Accident and Insurance Report*. If you wish to have a complete copy of your report (front and back), **you** will need to make a copy for **your** records.

**RECEIPT** — Attached is a PINK courtesy copy of your report. After you have completed both sides of the form, tear the PINK copy off for your records. If you want a receipt, bring the form, with the PINK copy, to a DMV office and have your copy validated. **Without a receipt, you will have no proof of submitting a report.** 

**MAIL** — Mail the form to Crash Reporting Unit, DMV, 1905 Lana Ave NE, Salem OR 97314 or FAX to (503) 945-5267, or deliver it to any DMV office.

PURSUANT TO OREGON INSURANCE LAW, AN INSURANCE COMPANY CAN NOT REQUIRE REPAIRS BE MADE TO A MOTOR VEHICLE BY A PARTICULAR PERSON OR REPAIR SHOP.

## TOTALED VEHICLE NOTICE

## **DEFINITIONS AND INSTRUCTIONS FOR TOTALED VEHICLES**

IF YOUR ACCIDENT HAS RESULTED IN A "TOTALED" VEHICLE, YOU ARE REQUIRED BY LAW TO FOLLOW APPROPRIATE INSTRUCTIONS IN THIS NOTICE.

#### **DEFINITION OF "TOTALED" VEHICLE**

"Totaled Vehicle" or "Totaled" as defined in Oregon law (ORS 801.527) means:

- A vehicle that is declared a total loss by an insurer who is obligated to cover the loss or a vehicle that the insurer takes possession of or title to.
- A vehicle that has sustained damage that is not covered by an insurer and the estimated cost to repair the vehicle is equal to at least 80% of the retail market value prior to the damage. "Retail market value" is defined as the amount shown in publications used by financial institutions (banks or lenders) in this state.
- A vehicle that is stolen, if it is not recovered within 30 days of theft and the loss is not covered by an insurer. In this situation, you must notify DMV within 60 days of the theft.

## ▼ FOLLOW THESE INSTRUCTIONS IF YOUR VEHICLE IS TOTALED

If your vehicle is totaled, in addition to completing the accident report, follow the instruction that is applicable to your case. *Either:* 

- 1. SURRENDER the title to the insurer if the damage is covered by an insurer who declares the vehicle to be a "total loss," and the insurer takes possession of the vehicle; *or*
- 2. SURRENDER the title to DMV and apply for salvage title if the damage is covered by an insurer who declares the vehicle to be a "total loss," but you keep possession of the vehicle; **or**
- 3. SURRENDER the title to DMV and apply for salvage title if the damage was not covered by an insurer and the estimated cost of repair is at least 80% of the retail market value of the vehicle before the damage; **or**
- 4. NOTIFY DMV that your vehicle has been totaled if, for some reason, you are unable to obtain the title for surrender. You must provide DMV with a signed statement which includes:
- A description of the vehicle which includes the year model, make, plate number and vehicle identification number.
- A statement indicating the vehicle has been totaled.
- A statement that you are unable to obtain the title and why.

**DO NOT** SUBMIT THE TITLE WITH THE ACCIDENT REPORT. You can obtain the *Application for Salvage Title* (Form 735-229) from any DMV office, by calling (503) 945-5000, or on-line at www.oregondmv.com. Application instructions and fee information are on the back of the form 735-229. If you have questions about salvage titles, call (503) 945-5122.

**NOTE:** It is a Class A misdemeanor with a penalty of imprisonment and/or fine if you fail to comply with the above requirements. (ORS 819.012)

# **OREGON TRAFFIC ACCIDENT AND INSURANCE REPORT**

**COMPLETE BOTH SIDES** 

Complete this form ONLY if your accident happened on a highway or premises open to the public, and resulted in any of the following: 1) More than \$2500 in damage to your vehicle; 2) More than \$2500 in damage to any one person's property other than a vehicle; 3) Any vehicle has more than \$2500 and any vehicle is towed from the scene as a result of damages; 4) Injury to any person (no matter how minor the injury); or, 5) the death of any person.
