TSA Pre✓ Application Program

The TSA Pre✓® application program allows eligible travelers the opportunity to receive expedited screening at more than 115 participating U.S. airports while traveling on eleven participating airlines.

How to Apply

Step 1: Visit tsa.gov to learn more about the TSA Pre✓® application program. You can pre-enroll online and make an appointment at an application center, or you can skip directly to step 2.

Step 2: Visit an application center with an appointment, or as a walk-in to provide required information, documentation and fingerprints. A list of required documents can be found at tsa.gov. The in-person application process may take up to 12 minutes (excluding wait times).

Step 3: Applicants pay a non-refundable \$85 fee to cover the cost of background checks.

Step 4: Applicants will receive a written notice via U.S. mail within two to three weeks. If eligible, a known traveler number will be provided.

Step 5: Travelers with a known traveler number begin to enjoy expedited screening at participating airports nationwide.

Step 6: Add the known traveler number to each participating airline profile or provide it when making air travel reservations. The name used when applying for TSA Pre✓® must match the name used when booking travel.
